## “Norwegian Gannet” – The world’s biggest salmon factory vessel

Norwegian Gannet, the world’s biggest salmon factory vessel, build at Astilleros Balanciaga in Spain.

Ditech Filter Solution AS, the distributor of GreenOil in Norway. Played a major role with the shipowner HAV Line AS which decided to install GreenOil onboard the vessel, instead for any separators.

Norwegian Gannet has equipped 1x WP1-P1-1000 for engine lubrication oil to the Wärtsilä 31 main engine and 2x WP1-P2-400 for the two Wärtsilä Aux. engines. Further the vessels have equipped 2x WP1-C1-1000 for cleaning of the diesel for the entire propulsion.
